MORE THAN JUST EXERCISE BOOKS

Welcome to Exercise Books Direct

Exercise Books Direct are part of Hamelin Brands Ltd, based in the East of England. We are proud to be part of the Hamelin Group who are **Europe's largest manufacturer of exercise books** and have supplied over 250 million exercise books to UK schools over the last 30 years. We pride ourselves in understanding schools needs so we can provide great quality stationery, competitively priced with great customer service. Budgets are tight in schools, that's why you'll see we price our products based on demand, so that cost savings on our most popular lines can be shared with our customers. We are dedicated to running our business responsibly, all our paper is sustainably sourced, and we are one of the few companies to have a scientific and independently approved commitment to reduce our carbon footprint that addresses all aspects of our business.

We have the ability to personalise the front cover of your exercise books with your **school's logo for free**. Our books help embed your school's identity, something teachers and students can be proud of. Plus, if you need bespoke elements to your books, we can work with our specialist team to create something as individual as you need.

Our drive to support schools has gone beyond exercise books, we are very excited to bring to the UK the number one classroom supplies brand in Germany, Pelikan. This fantastic range includes **glue sticks, handwriting pens, whiteboard markers and much more** – with some great introductory offers, please contact us now to receive some free samples. We have used our knowledge of the paper market to source some competitively priced copier paper to go alongside the premium reams we have in our range, with quantity discounts available as well.

We operate a 3–5 day delivery service but if you'd like to order early and save even more, we can hold your stock until you need it – with up to 60 days to pay after delivery.

Whatever you need, we're only a click or phone call away.

'The Pelikan whiteboard markers are very nice, smooth writing, easy to handle for SEND students.'

~ Karen Willis, Finance Assistant

"We are very pleased with our personalised Oxford exercise books from Exercise Books Direct. The quality of the paper sends the message to our children that what they write is important and raises their expectations of what they are capable of."

We are grateful to Exercise Books Direct for supplying these to us."

~ Mrs C Knighton, Headteacher
